Overview:

Welcome to an exceptional training program designed for women leaders in for-profit and non-profit organizations, as well as entrepreneurs seeking to lead innovation and achieve excellence in their institutions.

This program is offered by Rethinkers, a Jordanian-British institution specializing in innovation. The innovation program is based on the latest scientific innovation models, such as Innovation360 accredited in Stockholm, and is delivered by certified innovation experts over four days, from November 17 to 20, 2024, in the beautiful city of Barcelona. Participants will explore innovative tools and methods that combine practical knowledge with cultural experiences.

1 Day one

Essentials of Innovative Leadership

Morning Session & Hours:

Fundamentals of Innovative Leadership

- **Introduction to Innovation and Innovative Leadership:** Understand the basic concepts of innovative leadership and its key role in today's business environment.
- **Emotional Intelligence in Leadership:** Learn how emotional intelligence enhances leadership effectiveness and can be used to lead teams toward innovation.
- **Leadership vs. Management in Innovation:** Explore the differences between leadership and management in the context of innovation and how to balance both for optimal results.
- **Afternoon Activity: Tour of Old Barcelona**
Enjoy a guided tour of the historical landmarks of Old Barcelona, with a focus on the role of leadership and innovation throughout the city's history.

2 Day Two

Innovation Tools and Creative Thinking Models

Morning Session & Hours:

Innovation Tools and Techniques

- **Design Thinking Workshop:** Learn how to use the design thinking methodology to develop innovative solutions and think from the customer's perspective.
- **Creative Tools Checklist:** Explore tools like mind mapping and the SCAMPER technique for generating creative ideas.
- **Upside Down Innovation:** Learn how to challenge traditional thinking and innovate outside the box.
- **Optional Afternoon Activity: Shopping Trip to La Roca Village Outlet**

INNOVATI^oN 360

3 Day Three

Applying Innovation in Organizations

Morning Session & Hours: Execution and Team Building

- **Applying Innovation in Organizations:** Learn how to integrate innovation into the organization's culture and daily operations to ensure sustainability.
- **Building an Innovative Team:** Discover how to foster a culture that supports innovation within the team and encourages creativity and calculated risk-taking.
- **Innovation Roadmap:** Develop a personal action plan to lead and apply innovation effectively in your organization.
- **Optional Afternoon Activity: Tour of Museums and Creative Architectural Arts**
Explore Spanish arts and culture by visiting historical art museums, reflecting on the role of leadership and innovation through the ages.

4 Day Four

Advanced Innovation Techniques and Certification Ceremony

Morning Session & Hours: Advanced Innovation Techniques

- **Eureka Process:** Learn how to turn innovative ideas into practical results through the systematic Eureka process.
- **Group Innovation Exercise:** Participate in a group exercise to apply innovative tools and techniques to a real-world challenge.
- **Certification Ceremony:** Celebrate your success in completing the program and receive your Innovative Leadership for Entrepreneurs certificate.
- **Afternoon: Free Time and Departure Preparation for the Following Day**

Effective Training Methods: Turning Ideas into Actions

1. Interactive games and learning competitions
2. Group brainstorming and team-building
3. Hands-on workshops for innovation models
4. Scenario-based training
5. Problem-solving through discussions
6. Role-playing
7. Demonstrations and videos

Program Trainer: Dr. Lana Al-Mubaidain

Dr. Lana

holds a Master's and PhD in Talent Development and Creativity. She is the founder and CEO of Rethinkers, specializing in talent, creativity, and innovation. Dr. Lana is an internationally recognized innovation consultant, a certified trainer with Innovation³ in Stockholm, and an international representative for Thinking School International from the UK.

With extensive experience, she provides international training in transforming organizations into innovation hubs in collaboration with Thinking Matters from London. She is a certified trainer in The Digital Thinkers Keys and a certified trainer with the renowned international expert Tony Ryan from Australia. She is also a certified international evaluator with

EFQM and the King Abdullah II Center for Excellence in institutional excellence.

Dr. Lana is an expert in measuring intelligence, creativity, innovation, and identifying gifted individuals. She works as a consultant and certified researcher with international organizations such as ESCWA, ICU, UNICEF, and USAID in the fields of leadership, innovation, and childhood. She is an expert in innovative programs like SCAMPER for creativity, CoRT, TRIZ (creative problem-solving), SIX HATS, multiple intelligences, institutional innovation, and innovation management, and holds a Certified Innovation Practitioner certificate.

In addition to her work identifying gifted individuals and developing enrichment programs, she has authored several books, including Thinking Outside the Box and Let's Play SCAMPER in Developing Imagination, alongside a comprehensive curriculum for teaching thinking. Dr. Lana has provided innovation leadership training to many banks, companies, and ministries both inside and outside Jordan, including Dubai, Saudi Arabia, and Jordan, making her a pioneer in transforming organizations into centers of innovation and creativity.
